| Team Game: | Shelter Building |
|-----------------------|-------------------------|

An idea for the clue for the Cubs to find.

Adapt the clue to according to what you have on hand in your hall. The idea of the challenge is for the Cubs to build something which will withstand the harsh elements of the desert – at the end of the challenge, if available, get two or three fans blowing wind onto the shelter to see if it can withstand the wind blowing ...

CONGRATULATIONS

You have found the clue which will inform you of your mission for today ...

In the hall you will find some items you will need to build a shelter!

You will need to work in your team and everyone should get a chance to do something. You will be judged on how well you work together as well as how you have decorated your shelter.

Use the newspaper as a cover and make sure you decorate it using whatever is on hand. Take the following items and find a spot and start putting your shelter together

***Stave/Common household brooms with rounded handle
end, 2 per team***

***Duct tape/Masking tape/Sticky tape
String***

Cardboard sheets/Newspaper/Garbage bags

Packet of crayons/kokis/paint and paint brushes

Scissors

***If there is anything else you need to build your shelter
apart from what you have been given, you need to find
these items yourselves***

REMEMBER:

**YOU NEED TO WORK IN YOUR TEAM AND EVERYONE
SHOULD WORK TOWARDS MAKING IT THE BEST SHELTER
EVER!**
